“A rich and dense red with deep and rich flavors of spice, smoked meat, mushrooms and berries. Medium to full body. Extremely long and creamy. Wonderful fruit and balance. Drink now.”

TABURNIGA 2016 || 98 points

“Impressive blackberry, blueberry and violets on the nose. Hints of licorice and asphalt. Full-bodied and dense yet ever so agile and bright. Tight and linear tannins give it length and beauty. Needs time to come completely together, but impressive density and length. Endless. Drink after 2021.”
