## BODEGAS RODA

## SELA 2018

**RODA** || Bodegas Roda was founded in 1987 and is considered “the most modern of the traditionalists and the most traditional of the modernists.” Roda works with a total of 120 hectares - 70 owned by Roda and 50 by contracted growers - all bush vines; no irrigation; minimum intervention (no chemically synthesized products and use of cover crops). Their uncompromising commitment to quality is evident in the extensive research and development department and the state of the art gravity flow winery which includes the seventeen Seguin Moreau foudre for fermentation, radiant heat malolactic room and extensive aging cellar.

**RIOJA** || Rioja was the first Spanish wine region to obtain DO status, in 1925. In 1991, it was promoted to DOCa (Qualified Designation of Origin), a higher category reserved for wines maintaining a proven consistency and quality over a long period of time. Rioja has three distinct subregions (Alavesa, Alta & Baja) as well as stylistic diversity ranging from the traditional oxidative wines to the full throttle modern style.

### TASTING NOTES |

Intense, fruity and cheerful, Sela is a wine with a lot of liveliness. The nose is very intense, full of fresh fruit that overflows the glass. Red fruits, raspberries, strawberries and cherries that are mixed with each other. A very light, very subtle note of oak appears in the background and allows us to appreciate the prominence of the fruit more clearly. In addition to the fruit, there is complexity and mineral and slightly spicy notes appear. It has a spark of gunpowder and Sichuan pepper that fill it with joy.
