

FINCA TERRERAZO

VINO DE PAGO

“2015 is a classical Mediterranean vintage, and they managed to produce a very fine wine, with tannins that are more polished than those from 2014. The idea is to age part of the wine in concrete, but this already has a larger percentage of oak vats instead of barriques, and the oak feels better integrated. This is one of the finest Bobal wines around.”

-Luis Gutierrez
