

LA GARNACHA

DE MUSTIGUILLO

VITICULTURA SOSTENIBLE

2015

“There are ripe notes, and the nose slowly revealing some notes of hay and straw, with hints of esparto grass. They had some hail in 2015, so the quantities were lower because they had to sort the grapes. The palate reflects the fine minerality the chalky soils provide and also the tasty, almost salty finish.”

-Luis Gutierrez
