

MESTIZAJE

Bobal

Say it with us, mest-i-zah-hay.

Organic viticulture at high altitude where traditional farming meets modern techniques.

Deep in color with an intriguing nose of black fruits, violets, cedar and black pepper. The fleshy dark fruit flavors of blackberry and black currant are lifted by brisk mineral acidity (this is where those limestone soils come through) and fine tannins. Leaves you on a nice sweet and spicy finish, a perfect pair with anything cooked over fire & smoke.
